STANDARD TRANSFERS: INCLUDED

Standard transfers are always included in your Namotu package. We'll pick you up from Nadi Airport, take you to any local pre-stay hotel or the Marriott at Momi Bay. Then when it's time to check in to Namotu, we'll get you to the jetty at the Marriott Momi Bay and by longboat to Namotu. When it's time to check out, we'll offer the same service in reverse. If you'd like to upgrade your transfers, consider booking a helicopter or speed boat transfer onboard the Cobalt. Nadi to Momi Bay takes 45 minutes by car, Momi Bay to Namotu takes 25 minutes by longboat.

HELICOPTER

Choose to skip the drive and longboat trip and fly direct to Namotu from either Denarau or Airport to Namotu. Heli Tours provides transfers and tours that are an amazing way to see the area from above. The trip takes only 10 minutes so saves a lot of time getting to/from the Island. Bookings can be made with WaterWays or via the Namotu office.

RATES

Varies but roughly \$300USD per person each way

COBALT

Ideal for larger groups or those who need to travel with large baggage, the Cobalt can take 12 passengers without baggage to/from Denarau Marina. A car transfer to Airport or local hotel is included in the rate.

RATES

\$850USD each way for up to 12 passengers

PRE-STAY HOTELS

Our top pick is the Marriott at Momi Bay because our longboats will depart and arrive there each Sunday. That means only one car ride between the Airport and arriving to Namotu! If you're arriving to Fiji early, you can wake up, relax and head down to the jetty at 10:45am where our longboats will take you to Namotu for an 11:30am check in.

RECOMMENDED HOTELS FOR PRE/POST STAY

- Marriott Momi Bay
- Hilton Denarau
- Sofitel Denarau
- Gateway Nadi (budget option closest to Airport)
